

Product Bulletin

Date: June 25, 2021
Update Number: P2021-10
Subject: New Product Announcement - Programmable DIP Remote Controls
Product Affected: 811LMX and 813LMX

LiftMaster® is committed to continually improving your access control experience. We are excited to introduce our new 811LMX and 813LMX Programmable DIP Remote Controls. One convenient single or 3-button Programmable remote control now provides the same functionality as our current line of DIP remote controls.

Type of Change: New Product Introduction – 811LMX and 813LMX Programmable DIP Remote Controls

| New Model | Description | Old Model # | Description |
|-----------|---|-------------|---|
| 811LMX | Single Button Programmable DIP Remote Control | 811LM | 1-Button Remote Control Security+ 2.0 Encrypted DIP |
| | | 361LM | 1-Button Remote Control Dip 315 MHZ |
| | | 61LM | 1-Button Remote Control Dip 390 MHZ |
| | | 61LMC | 1-Button Remote Control Dip 390 MHZ (Canada) |
| 813LMX | 3-Button OCS Programmable DIP Remote Control | 813LM | 3-Button OCS Remote Control Security+ 2.0 Encrypted DIP |
| | | 333LM | 3-Button OCS Remote Control Dip 315 MHZ |
| | | 33LM | 3-Button OCS Remote Control Dip 390 MHZ |

Programming to a prior technology is simple:

1. Open the door on the top cover and to the right of the DIP connector is a program button.
2. Press the button to enter 'Program mode' and press the remote control button one time for 811LM (813LM), twice for 361LM (333LM) and three times for 61LM (33LM).
3. Press the program button again to exit program mode.

| Model Number | Description | Price 1-47 | Price 48+ |
|--------------|---|------------|-----------|
| 811LMX | Single Button Programmable DIP Remote Control | \$12.00 | \$10.00 |
| 813LMX | 3-Button OCS Programmable DIP Remote Control | \$24.00 | \$22.00 |
